PROFILE SUMMARY

Banking operations and compliance professional with 10+ years of experience in regulated financial services, specializing in KYC, customer due diligence, and AML/CFT compliance. Proven track record managing high-volume operations, reviewing AML risk indicators, escalating compliance concerns, and supporting audit preparation across multiple bank branches. Combines deep operational banking experience with a recent MSc in Software Engineering & Digital Transformation, bringing both regulatory discipline and digital fluency to compliance-driven roles. Seeking KYC/AML, compliance, or banking operations opportunities within the European financial services sector.

PROFESSIONAL EXPERIENCE

Executive Assistant (Banking Operations & Compliance)

Aug 2014 – Jul 2023

Commercial Bank of Ceylon PLC

Sri Lanka

- Managed daily banking operations across two branches over a 9-year tenure (6 years, 3 years), handling up to 200+ cash transactions daily at cash counters and serving 20–30 customers daily in the operations section.
- Conducted KYC and customer due diligence checks for new and existing clients; reviewed daily AML watchlists and escalated high-risk cases to compliance — including identifying a fraudulent identification document that prevented an unauthorized transaction.
- Rotated across cash operations, account services, and foreign transactions (telegraphic transfers, foreign drafts, remittances), building broad hands-on expertise across core retail banking functions.
- Trained and mentored 50+ junior staff and interns despite holding no formal supervisory title, and was regularly consulted by senior colleagues for judgment on complex customer and compliance matters.
- Supported annual audit preparation for the operations section and proactively restructured documentation and filing systems at each new assignment to strengthen audit readiness and accountability.
- Contributed to the branch's digital banking adoption initiative, delivering customer demonstrations and first-line troubleshooting that improved digital banking uptake.

Banking Trainee

Aug 2012 – Aug 2014

Commercial Bank of Ceylon PLC

Sri Lanka

- Completed a formal two-year bank trainee programme, gaining structured, hands-on training across account openings, fund transfers, foreign transactions, and cash handling operations.
- Delivered customer service in a high-volume, fast-paced branch environment, maintaining transaction accuracy under daily operational pressure.
- Prepared daily transaction summaries and compliance-related documentation, building foundational attention to detail and audit awareness.
- Collaborated with senior banking staff on operational and service-related tasks, establishing the operational discipline carried forward into the Executive Assistant role.

EDUCATION

MSc (Tech.), Software Engineering & Digital Transformation

Aug 2023 – Jul 2025

Lappeenranta–Lahti University of Technology (LUT University)

Finland

Final GPA: 4.32 / 5.0
